# NEWSLETTER FOR STUDENTS

No 6 April 2011

Dear Students!

The **International Workshop** is on its way! Have you packed your bags? Those of you who have been invited to Cracow are probably thinking how it is going to be like! We have prepared a very intensive yet exciting programme for you. You'll have a chance to meet other students and teachers from **Austria, Malta, Slovakia, Czech Republic and Poland**, and spend a great time learning about the global issues and visiting the beautiful city of Cracow!

I cannot teach anybody anything, I can only make them think.

Socrates (BC 469-BC 399)

**See you in Cracow!**

Are you ready to present your school on the website and meet other schools? A new section dedicated to the **International Action** and **School Presentations** has been launched! Visit the website for details.
