Education is the most powerful weapon which you can use to change the world.

We remind you that a new section for school presentations have been launched. Go to the website to read about the International Action and thematic pools.

Remember to send your school's profile if you have not done it yet!

[NEW RESOURCES for English Teachers!](#)

We have added a new [lesson about climate change](#) for **B+** students. On the website you can find complete instructions together with worksheets for teachers and students.

Your comments are more than welcome. Let us know what you think about this lesson by commenting on the website or sending an e-mail.

The project is co-financed by the European Union. The contents of this document are the sole responsibility of Polish Humanitarian Organisation and can under no circumstances be regarded as reflecting the position of the European Union
