INTERNATIONAL WORKSHOP Cracow 11 - 13 April

Some of your colleagues had a chance to take part in an international workshop that took place in Cracow, Poland in April. Too read what the coordinators think about this experience and see some photos.

It was a fruitful and wonderful time in Cracow. We would like to thank all the teachers and students who travelled a long way to take part in it. We hope that you all had as much fun as we had, learnt a lot and went home better prepared for the International Action. Two of our coordinator have shared their opinions on this experience. Please feel free to comment on them. We would really like to know your thoughts.

Please comment on the website or send us an email with your thoughts.
